President, Norsk Arbeidsmandsforbund

Dear Mr Edvardsen,

On behalf of FILCAMS CGIL Italy, please accept our full solidarity with the striking cleaners in Norway and with Norsk Arbeidsmandsforbund.

FILCAMS CGIL supports your demands for fair pay, the protection of purchasing power, and decent sick pay arrangements. Cleaners carry out essential work every day, yet too often they continue to face low wages, insecurity, and a lack of proper recognition.

Your struggle is an important one for cleaners in Norway and for all workers across Europe who are fighting for dignity, equality, and respect at work. The right to fair treatment, adequate income, and protection during illness must be guaranteed to every worker.

Please convey our solidarity and support to all the workers taking part in the strike. FILCAMS CGIL wishes you strength and success in this action.

In solidarity,

Fabrizio Russo
General Secretary
FILCAMS CGIL Italy
